

Cosmological Large Scale Structure

LECTURE I: APRIL 11, MON, 10 AM

LECTURE II: APRIL 12, TUE, 10 AM

LECTURE III: APRIL 13, WED, 10 AM

NAOC ROOM A601

PROF. WILL PERCIVAL

UNIVERSITY OF PORTSMOUTH

The three lectures cover basic concepts and key topics in theoretical and observational cosmology, with a focus on cosmological implications of large scale structure surveys.
